

WITH H&R

We like to build long lasting relationships with our clients, providing value to everyone involved. We stand by our core values of Honestly, Respect and integrity.

WHO ARE WE

H&R Blinds is a family owned and operated window covering business. The name derives from the beginning letters of the founders two children. We have worked with and coordinated with various builders and developers throughout Canada and the U.S.A completing projects with little to no hiccups.

COMMERCIAL EXPERTISE

Throughout the 20 years of serving our clients with the highest quality blinds and service, we have developed a systematic approach to ensure that deadlines are met without cutting corners. We have expertise and experience with jobs of all sizes whether its a highrise, university, townhomes etc. We know how to best serve you.

HOW WE SERVE YOU

- We consult with developers when first starting a project to understand what window treatments are best suited.
- Provide industry leading prices while maintaining service and quality
- High quality durable blinds are produced with industry leading turnaround times and backed with warranty
- Professional installations
- Fast and easy customer support
